Synopsis

Australia: Tracey Christine Haimes is a new author. Her first book.....

"The Perfect Tooth" is a fictional children's educational picture story book. It takes the reader through the importance of brushing their teeth through animated characters and explanations bedside them. This is done through a series of inspections performed by the Tooth Fairy and her friends. The book highlights the importance of teeth cleaning to children by getting the message across in a fun and humorous way. **Makes a great resource for parents with young children, day care groups, primary school teachers, dental clinics attached to schools and general dental clinics.**

Can easily be turned into a play using eight youngsters!
